MESSAGE OF THE CHAIRMAN

The path to greatness for any nation rests on the principles of merit, fairness and transparency.

My mission as Chairman is to ensure a fair, cheating-free examination system that values hard work and integrity. This vision extends to merit-based examination duties, transparent paper checking, and a commitment to upholding the true essence of education.

The SSC (Annual-II) Examination-2024 results stand as a testament to these principles. This accomplishment reflects the commitment of our teaching staff, the dedication of board employees, and the unwavering support of the District Administration and the Provincial Government. It is through their collective efforts that the examinations were conducted in a smooth, transparent, and orderly manner.

The successful candidates have proven that excellence is achieved through dedication and genuine effort. To those who did not succeed, remember that failure is not the end but a lesson that fuels future success. Persevere with greater zeal and trust in your potential.

I extend my heartfelt congratulations to all successful candidates, their teachers, parents, and respective institutions. Your hard work and dedication have borne fruit, and I pray for your continued success, happiness, and prosperity.

Our mission is to honor talent with merit, fairness and transparency.
